

EDTC 6340: Applications of Advanced Technology in the PK-12 Classroom

Summer 2010

Project 3A: Mission Statement

Ricardo Soria

June 27, 2010

Technology Mission Statement

To aid teachers that lack support and resources to teach students that prefer fast paced information and video games, the MTT and Donna ISD Technology Department will provide timely and effective assistance. The overall goal will be to assist them in producing creative lessons that use rich visuals, software, audio, and video (multimedia).
